Sir/Madam:

**AMENDMENT OF THE DECLARATIONS AND  
PETITION UNDER 37 C.F.R. §1.312**

Applicants are submitting revised Declarations for the above-identified application, because the Declarations previously submitted to the Patent Office contained an error. The previously-submitted Declaration contained an error of the Serial number for one of the Provisional applications to which the instant application claims priority. Applicants herein submit revised Declarations, containing the corrected Serial number (enclosed as Exhibit 1; six pages). Applicants received a Notice of Allowance, dated November 27, 2000, issued by the U.S. Patent Office. The issue fee is due February 27, 2001. Accordingly, this Amendment and Petition are being timely filed.
